Dear Francelle,

Re: Two year Community Dementia Nursing partnership

I write to express the sincere thanks of the Board and Executive team at Royal Trinity Hospice for the generous donation of **£54,000** received in support of our delivery of specialist dementia nursing in the community. We are delighted the Trustees of the **Andrée Griotteray White Charitable Trust** have chosen to partner with us for two years to provide vital care for those living with dementia.

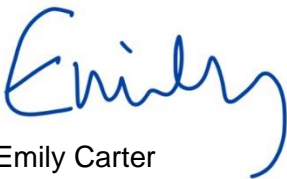

This two-year partnership has provided financial stability for our existing service provision during uncertain times, whilst empowering us to seek further support to increase our delivery of care to patients in their own homes and much needed respite care in the hospice.

We are extremely grateful for both the funding and your sharing of your own experience in providing care for your Mother during her long battle with dementia. That you now raise money for dementia care through sales of your fascinating and inspirational book, **Andrée's War**, seems a wonderful commemoration of her amazing life.

We know that demand for our specialist services will only increase in the years to come and your generosity is helping Trinity meet that challenge – providing not only care for patients, but vital support for their families.

Thank you and I look forward to working with you.

Kind regards,

Emily Carter
Chief Executive
